Miami Beach Convention
Center. Miami Beach. FL. USA

Seatrade Cruise Global Matchmaking
is a specialist networking tool that
will help you find & book meetings
with new business connections
at **Seatrade Cruise Global**.

Step 1 Get started

Once you are registered to the event you will receive an email with your personalised link to the Seatrade Cruise Global Matchmaking Platform.

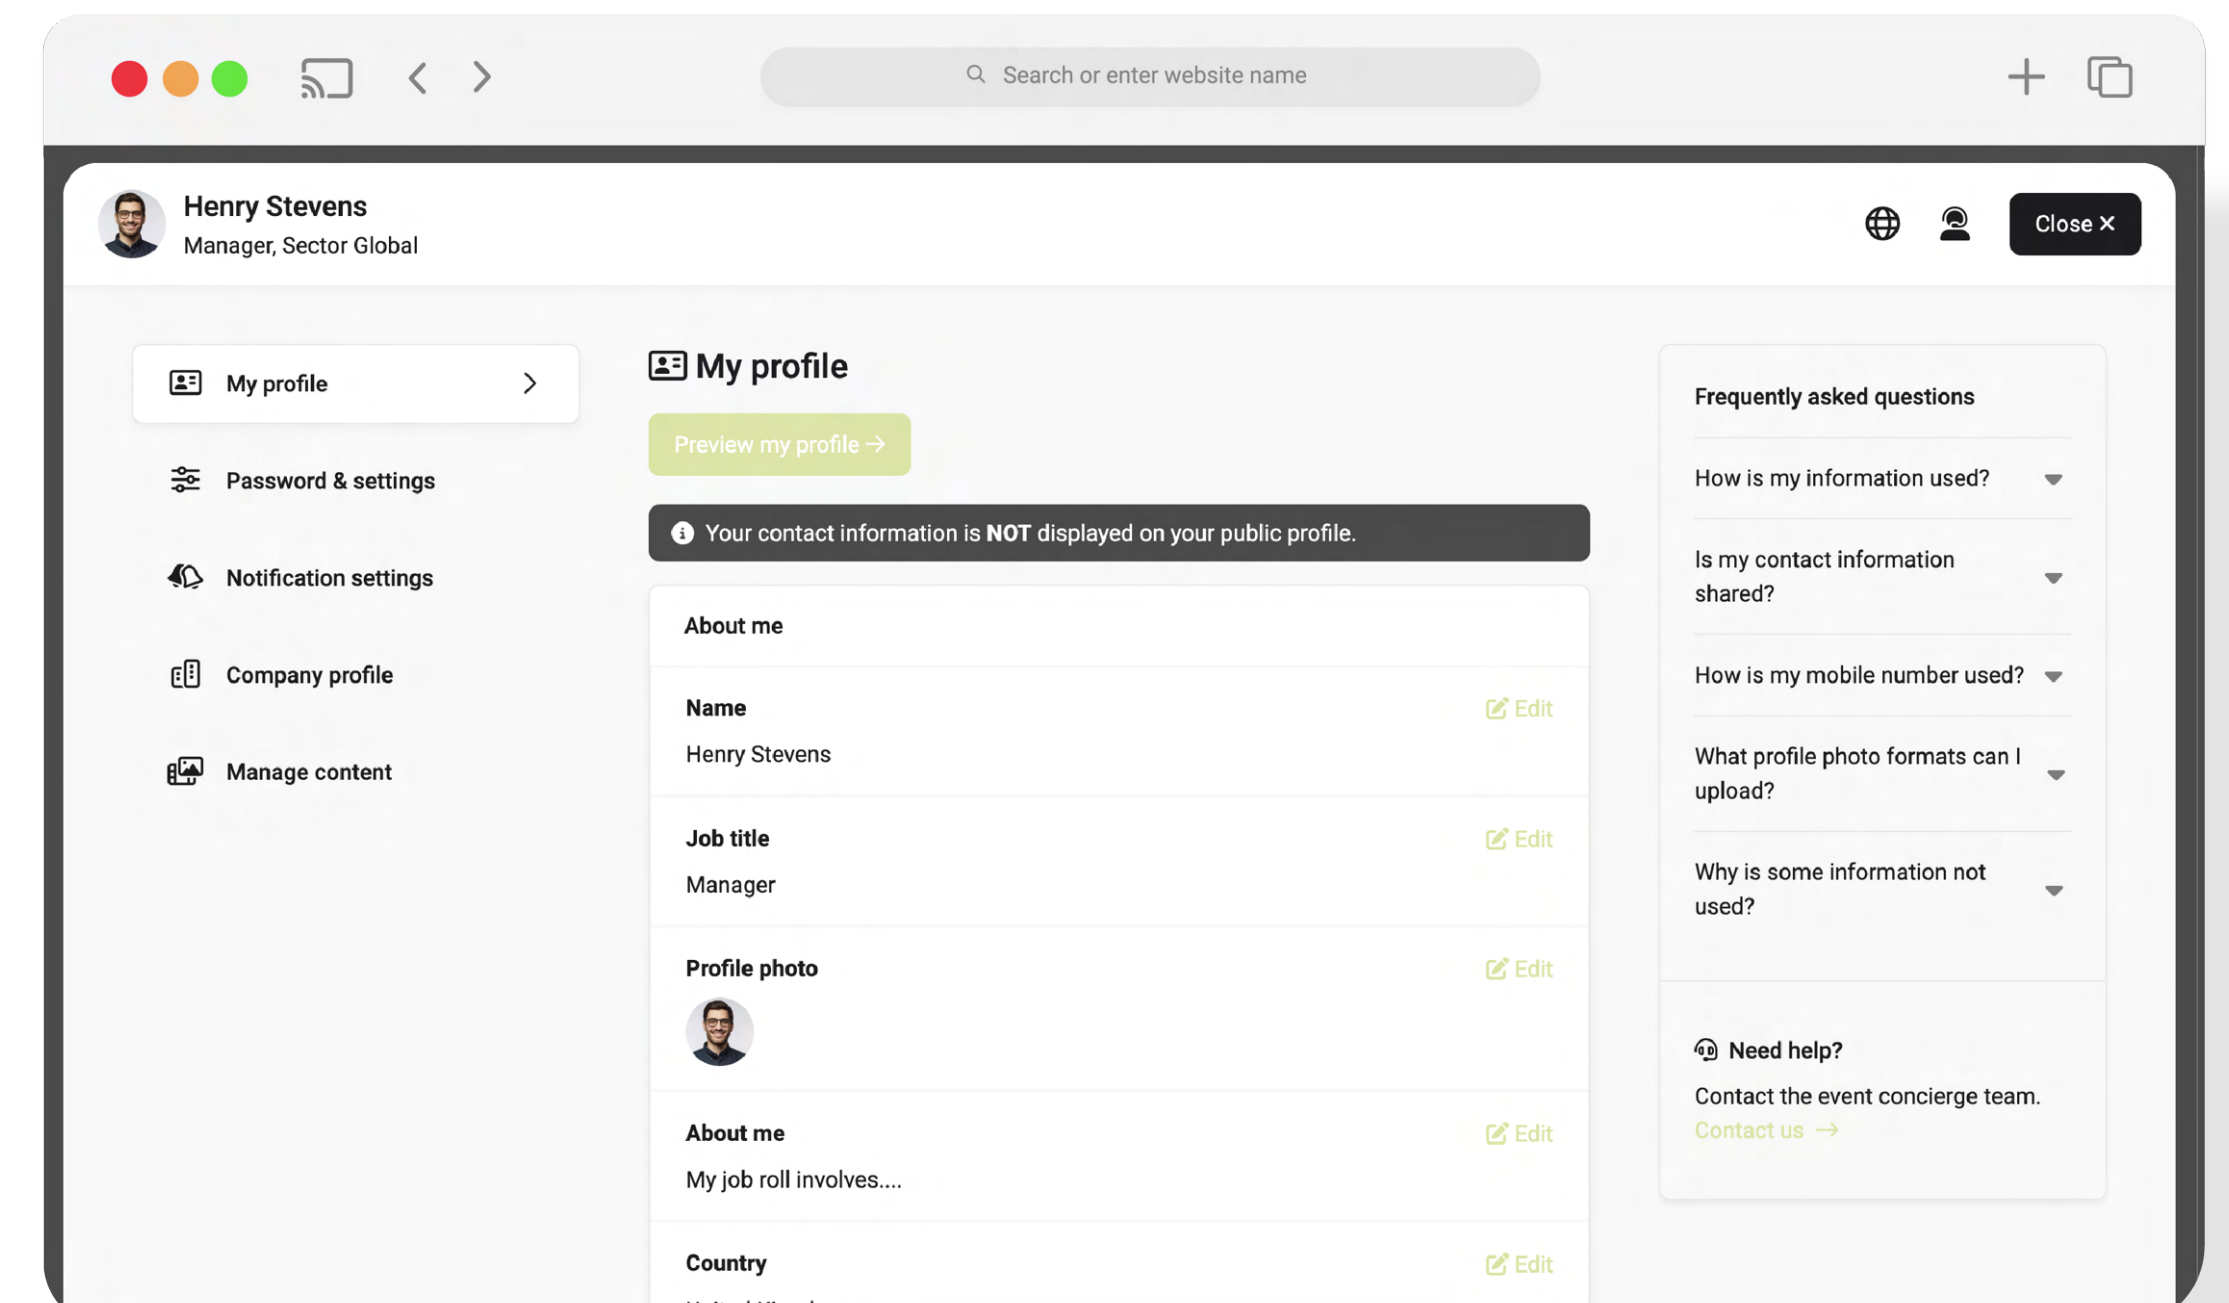

Step 2

Check & reconfirm profile

Check and update your personal & company profile, so relevant contacts can find you. Your contact information is shared only with your confirmed meeting partners.

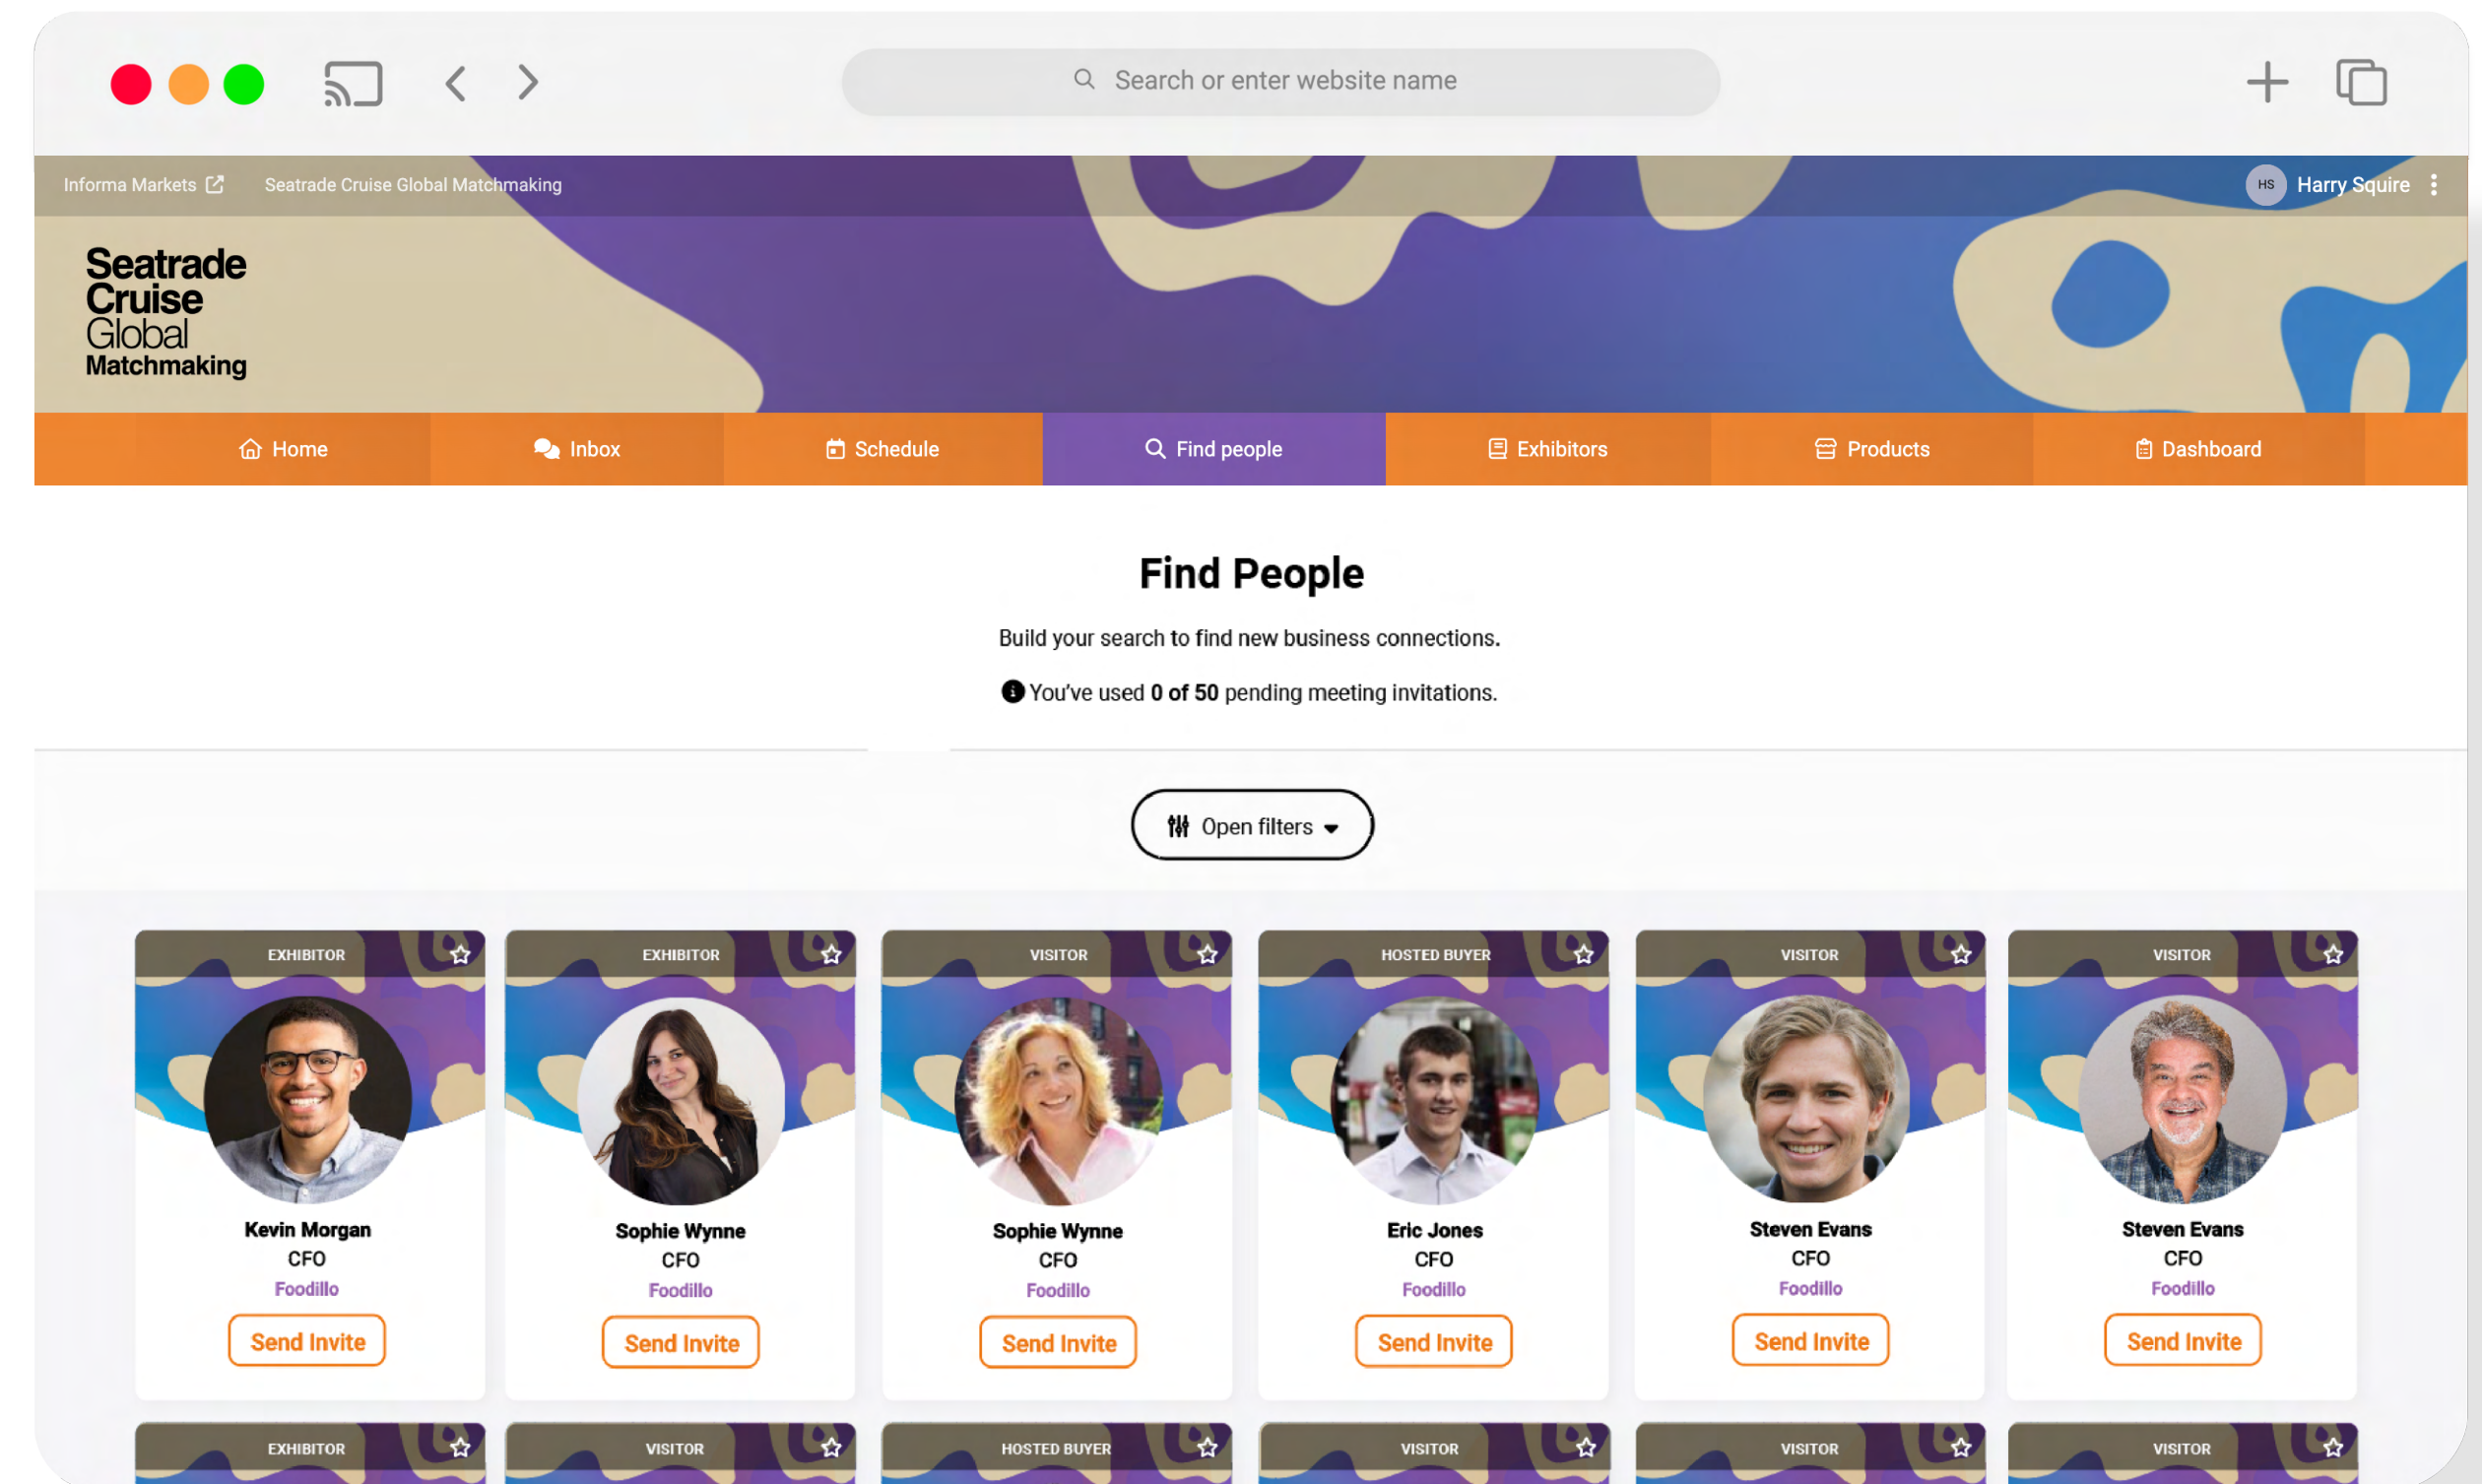

Tip:

Uploading a profile photo will help increase the response rate to your meetings. Add important information about who you are and what you do to allow other users to get a better understanding of your role. Don't forget to add your mobile number, so we can send you text reminders and updates about your meetings during the event.

Step 3 Find Meetings

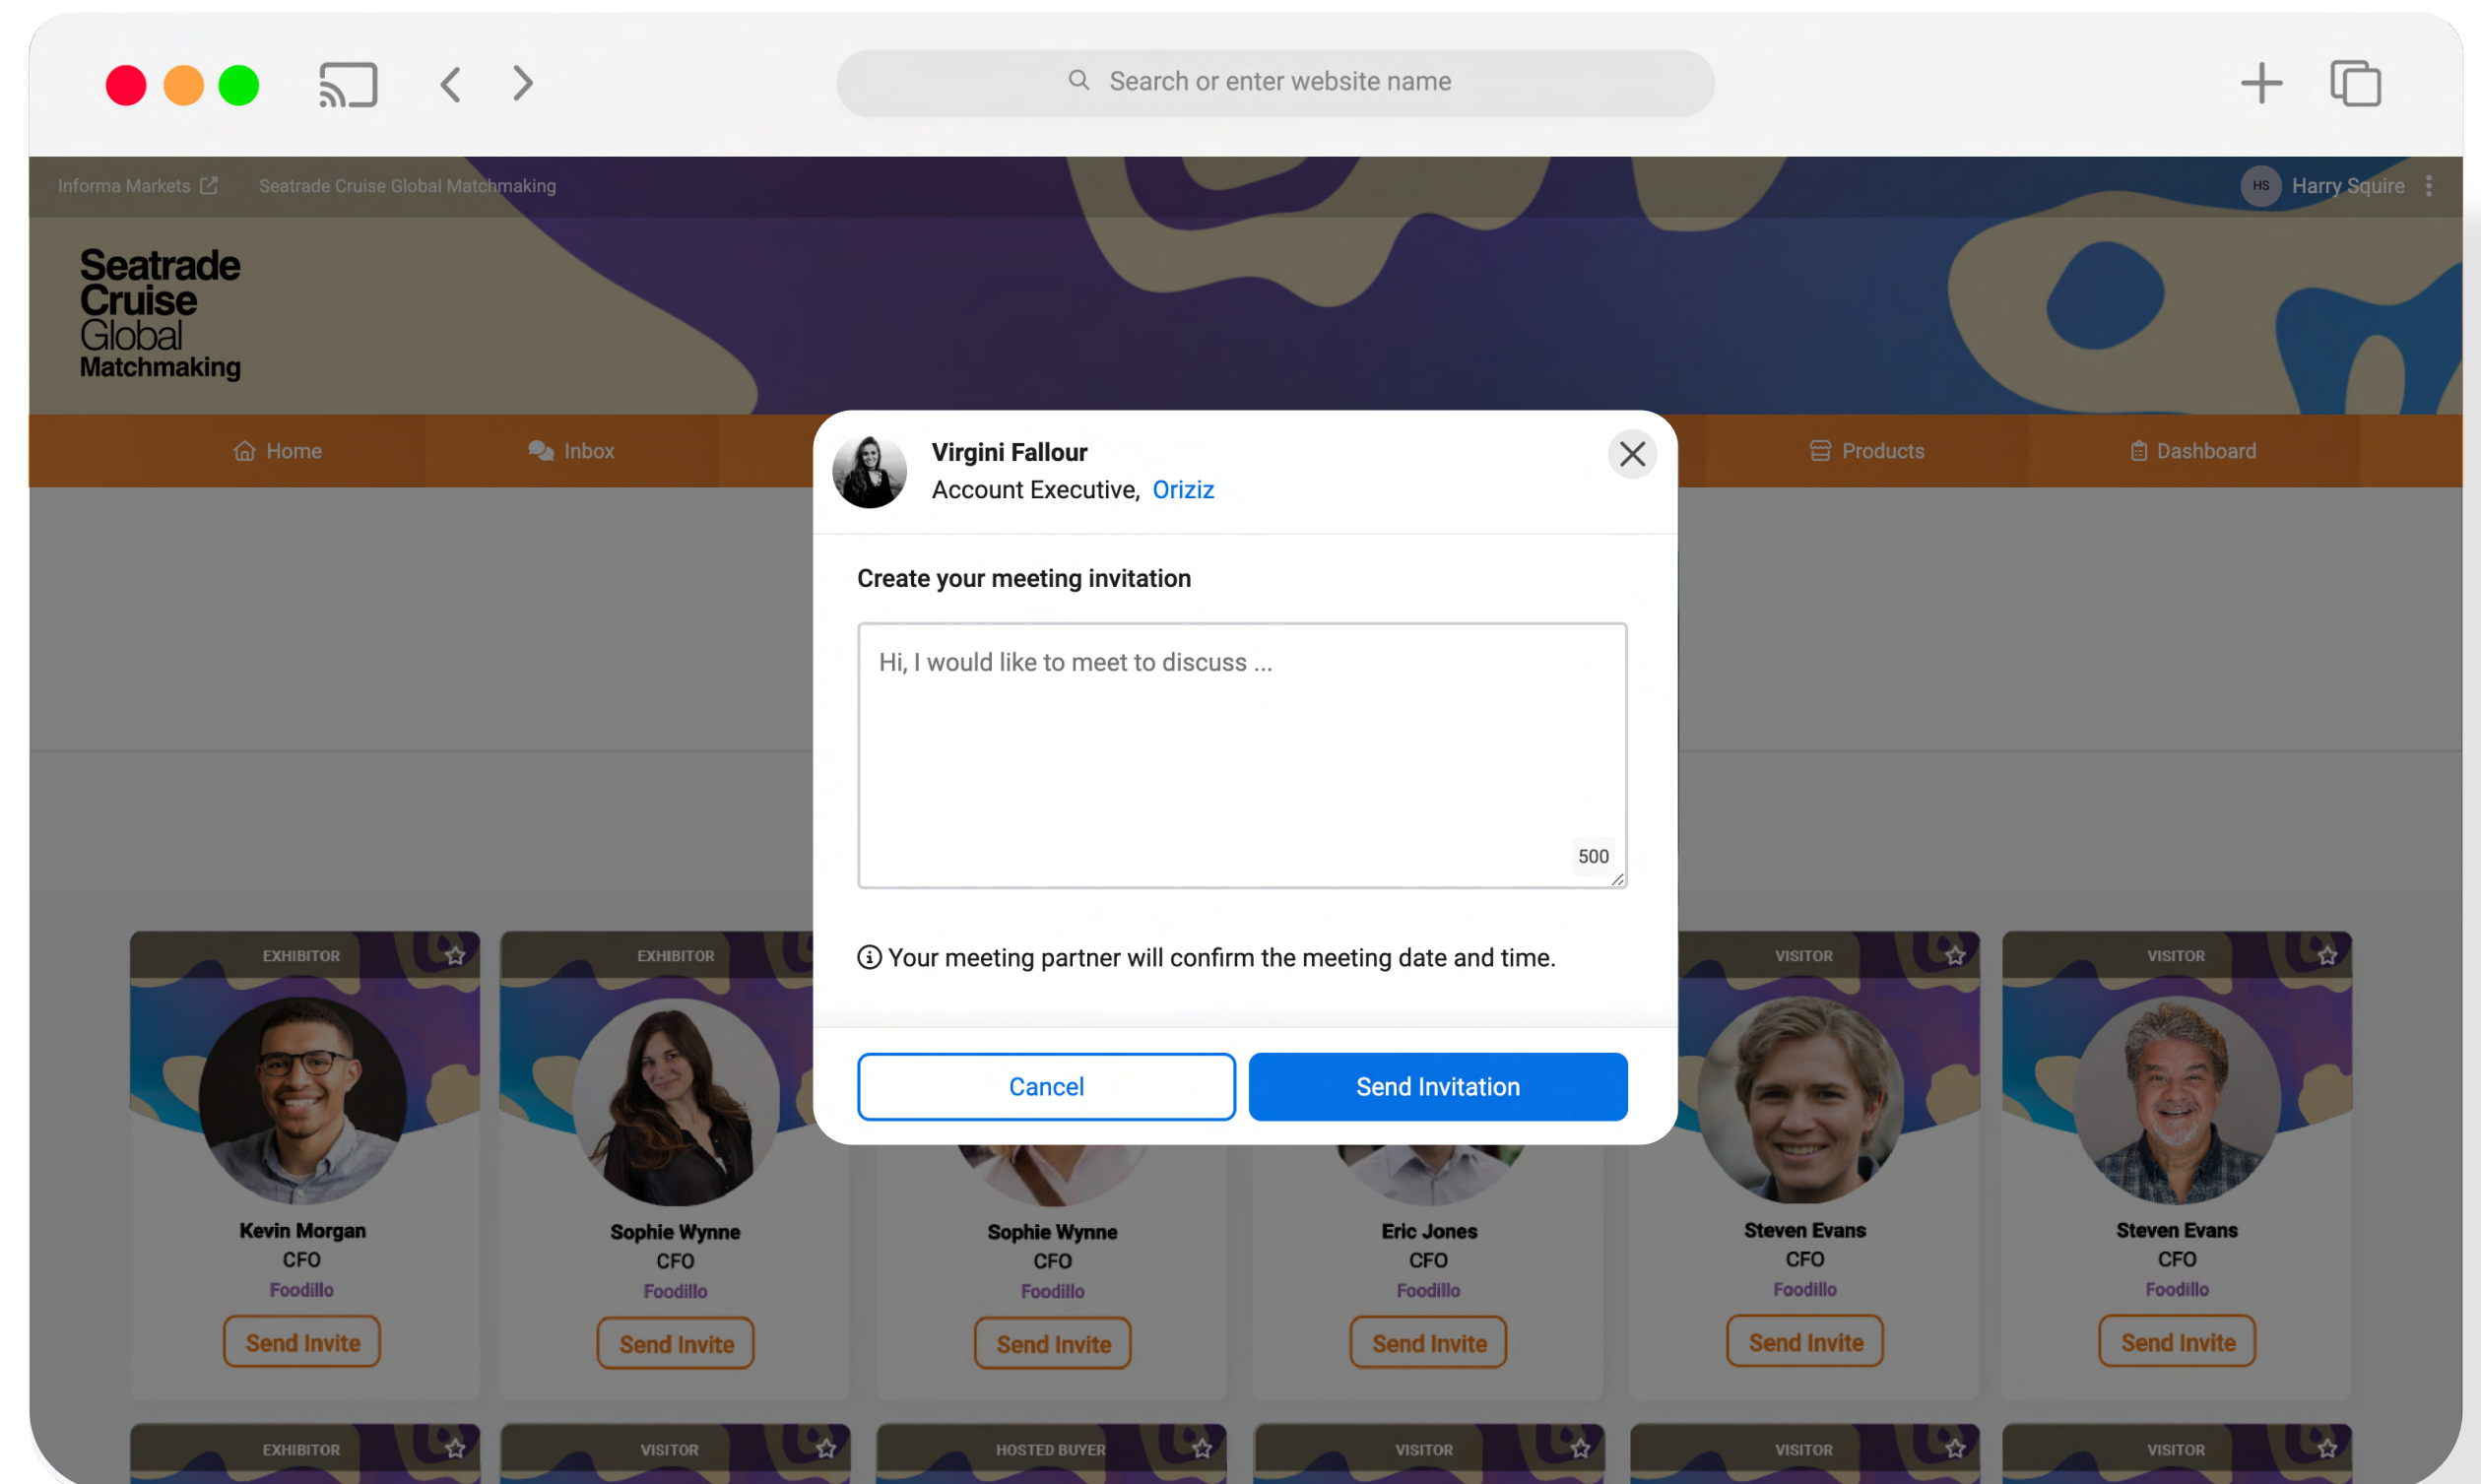

Identify the contacts you would like to meet using our intuitive filter and search functionality.

Step 4 Send Invites

Send and receive meeting invitations to arrange meetings at stands or in the Seatrade Cruise Global Matchmaking Lounge. You will receive an email each time a user requests a meeting with you. The meeting guest chooses the time of the meeting.

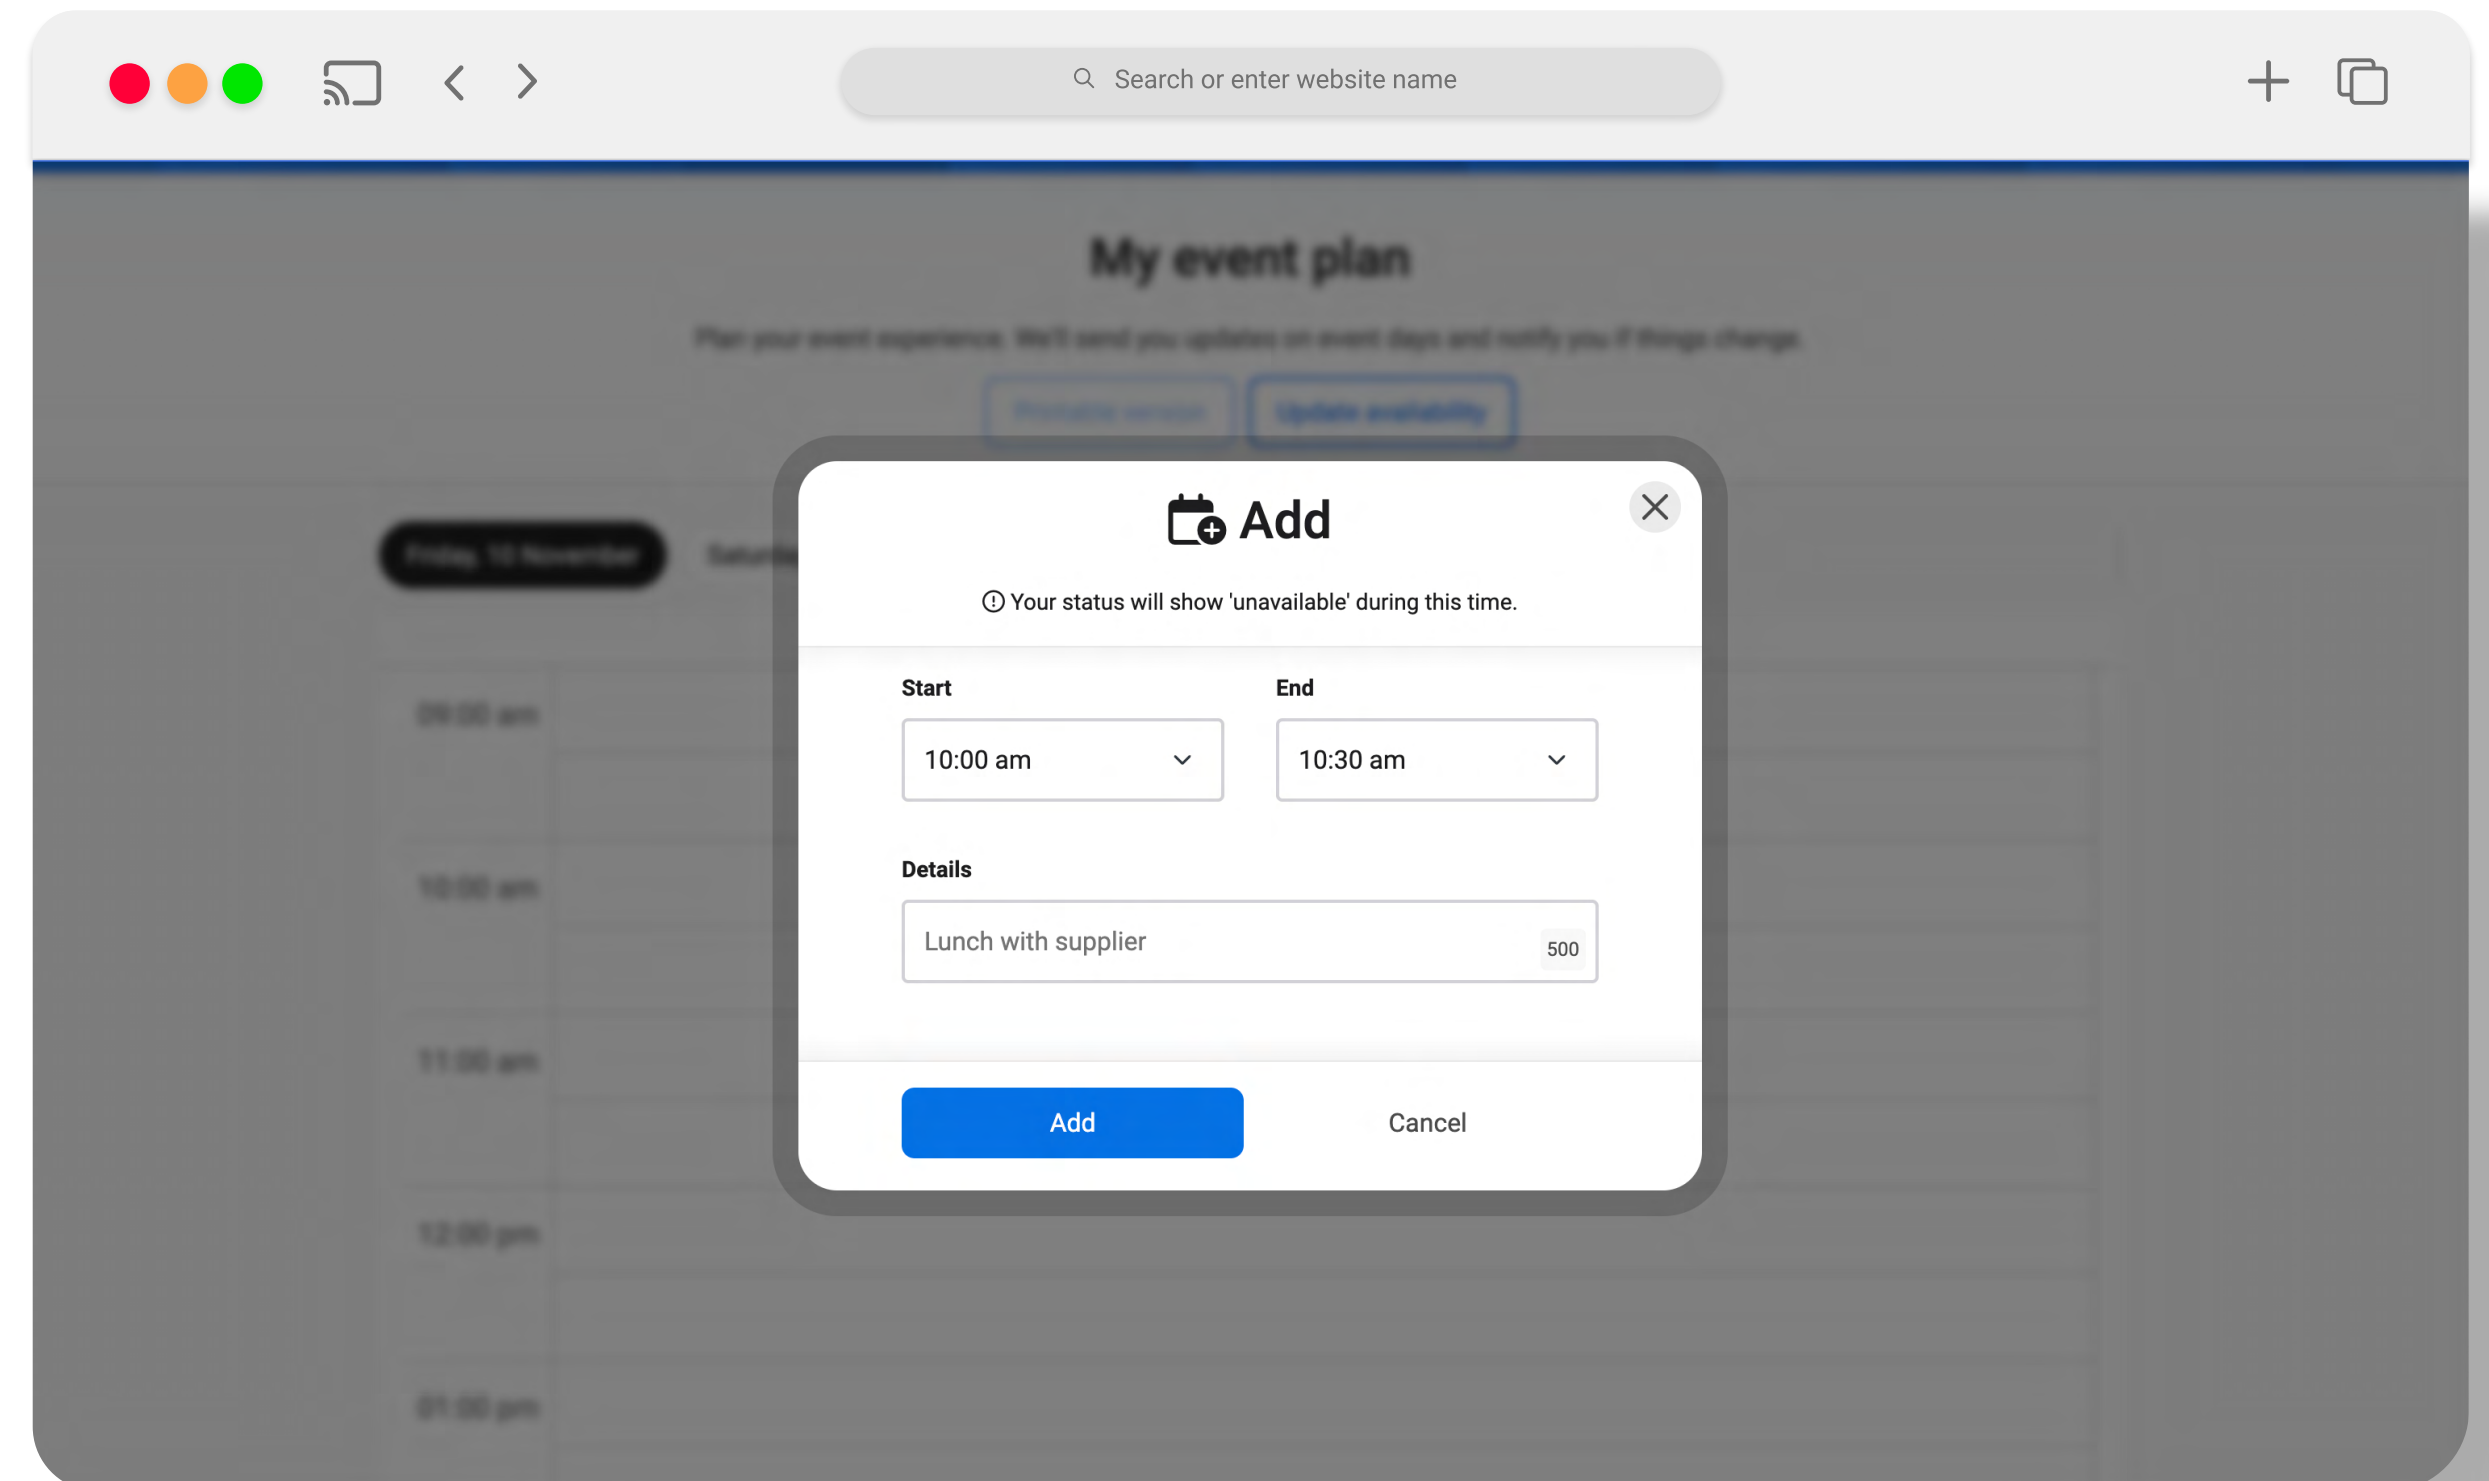

Tip:
Send an invite with a concise message of why you would like to meet and what you would like to discuss.

Step 5 Schedule

To ensure meetings take place at a time that suits you, make sure your schedule is up-to-date. Your meeting partner chooses the time of your meeting so it's important you update your availability.

We send you SMS and email reminders before you meeting starts.
